One of the great things about Original Sin is that you have a variety of options to choose from depending on the size and/or purpose of your event. The food and beverage requirements for hosting a group at Original Sin are designed to be simple and easy for you. Original Sin is designed for seated dinners up to 80 people. Unfortunately we do not provide venue exclusivity, but with a strong focus on large groups, we strive to make your event as smooth as possible. ## BAR ACCOUNTS

There are a variety of options to manage your bar account:

**Bar Tab:** As the organiser of the function/account holder, you can specify the range of beverages available on the bar and a limit can be established. Guests can then put drinks onto this account. Once this amount has been reached, our staff will notify you. You can add further funds to the account, or your guests can then pay for them.

**Subsidised Tab:** Another option is to subsidise drinks. You can specify the amount you wish to pay per beverage. This will be charged to your account and the remaining value will be charged to your guest. Again, you can specify the range of drinks.

**Cash Bar:** Guests can pick and choose from our full beverage selection and pay individually.

## LITTLE EXTRAS

We can organise bubbles on entry, customised cocktails, and uniquely dressed tables for your event. We strive to assist you in anyway possible to make your function memorable.

For large dinner bookings, we have a wireless microphone if required for a \$75 hire fee.
